=====
The minutes from LSAC meeting of September 12, 2012 were accepted as read.

Music on the Lake:

We will need to send thank you cards to Gus for sponsoring MotL this last summer and to the Auxiliary for hosting the Navy Band for dinner. The attendance was light most days. The board concluded that we need better promotion.

Suggestions to get our attendance up include:

1. Plywood sign, to be placed at Frontier Village.
 - a. This sign would allow for dates to change and the name/genre of the band to be able to change.
2. Bios from the band to be placed in the Lake Stevens Journal prior to show.
3. Smaller posters
4. Postcards size to be distributed through the school district (approx 1500 count).
5. Letting people know about sponsorships.
6. Working on getting galas as a fund raiser with the help of volunteers from Lake Stevens High School
7. Getting more involved with LS Chamber of Commerce.

We would need to find a way to fund these and to find some scrap plywood for the promotion.

There is some question as to what happens to the monies that is left over from the sponsorships of MotL. It is to be used for sponsorships and not for the scholarships in the

spring. The question is who owns the monies and whether we need to revamp the contract with the sponsors.

New Business:

Tina Kitburi will be moving out of the area and will no longer be able to act as a Lake Stevens Arts Commissioner.

It is at this time that we will be seeking new members with announcements in the Lake Stevens Journal. All those commissioners who wish to continue with their service will need to let Norma know.

It is time to start a new rotation of artists in City Hall and The Police Station. Those who wish to show their work will need to contact the Arts Commission before January.

Meeting adjourned: 8:30 pm

Next meeting:

Date: November 14, 2012

Location: Community Center, 1808 Main Street, Lake Stevens

Respectfully submitted by Commissioner Forbis
