

## Aflac Enrollment

**Aflac** provides cash for specific events based upon a schedule of benefits. That cash is not used to reimburse the bills that policyholders receive – **you** decide how to spend the money!

***Disability and Hospital Policies will pay benefits for Covid-19 related health events and hospitalization, etc. Also pays childbirth/maternity leave benefits.***

**Coverage is guaranteed renewable.**

Policies cannot be cancelled for filing too many claims or for getting older.

**Coverage is portable.**

If employees leave their job for any reason, their policy can go with them at the same premium.

**Premiums are rate stable.**

Aflac hasn't raised their rates in Washington State in almost 55 years, so the rate quoted when enrolled is the rate policyholders will keep.

**Coverage applies to any doctor, any hospital and any dentist. There are no networks to coordinate.**

**Aflac pays in addition to any other insurance.**

Aflac benefits are separate from any other insurance. Aflac pays benefits independent of what other coverage pays. The cash comes directly to the policyholder – no strings attached.

**Aflac has a variety of benefits that allows each employee and their family to choose what is best for them and fits their budget.**

Benefits packages tailored for specific needs.

**Most claims are paid within 4 business days or faster!!**

**Term/Whole Life/Final Expense Life Insurance Policies!**

**Ask for a personalized quote.**

**Juvenile Life is available for your children/grandchildren.**
