City of Lake Stevens Town Hall: Public Engagement Night

Lake Stevens, WA — The City of Lake Stevens invites residents to attend the upcoming Town Hall: Public Engagement Night on Monday, October 6, 2025, at 7 PM at The Mill. This is an excellent opportunity for community members to connect with city officials, learn about important developments around the lake, and engage in meaningful discussions about local initiatives.

The evening will feature two informative presentations. Mayor Gailey will lead a discussion on “Doing More With Less by Improving Processes and Culture,” alongside our Human Resources Director, Public Works Director, and Public Works Analyst. This presentation will highlight how the city has standardized and improved procedures to efficiently deliver consistent services amid rapid growth over the past 15 years. Additionally, attendees will learn how the American Public Works Association (APWA) accreditation process has positively transformed the city’s work culture.

In another segment of the evening, Mayor Gailey will provide updates on completed, current, and future capital projects within Lake Stevens. He will showcase significant accomplishments while sharing the city’s vision for future development.

“The Town Hall is open to all residents and provides a platform for civic engagement,” said Mayor Brett Gailey. “Whether you have questions about local projects, community initiatives or wish to discuss other civic matters, this is your chance to engage directly with those shaping the city’s future.”

Mark your calendars and come prepared to participate in this vital conversation about the community’s direction. We look forward to seeing you there!
